Sir:

Pursuant to 37 C.F.R. § 1.137(b), applicant hereby petitions to revive United States Patent Application Serial No. 09/854,308, which became unintentionally abandoned on February 6, 2006.

Enclosed is a Credit Card Payment Form in the amount of \$1,500.00 as set forth in 37 C.F.R. § 1.17(m) for filing this Petition under 37 C.F.R. § 1.137(b) to revive an unintentionally abandoned application.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment in regard to this matter to Deposit Account No. 23-3178. Triplicate copies of this authorization are enclosed.

The above-identified patent application became abandoned unintentionally. The Notice of Allowance and Fees Due was issued on November 4, 2005. The Applicants filed the payment of the Issue Fee and Publication Fee by facsimile on January 6, 2006, which was prior to the due date for the payment

of the same. Unfortunately, the facsimile communication of the payment of the fees was sent to an incorrect fax number, which resulted in the issue fee not being properly received by the USPTO. The Issue Fee and Publication Fee are now being submitted herewith.

Statement of Unintentional Abandonment

The entire delay in filing the required response (e.g. Response and payment of the Issue Fee and Publication Fee) to the Notice of Allowance dated November 4, 2005, from the due date for the reply (e.g. February 6, 2006) until the filing of the petition was unintentional.

The Required Reply and Fees

As required under C.F.R. § 1.137(b), the present petition to revive is accompanied by the filing of documentation i.e., a Response to the Notice of Allowance, Credit Card Payment Form in the amount of \$1,700.00 (\$1,400.00 for payment of the Issue Fee and \$300.00 for payment of the Publication Fee), and the fee for this petition to revive as set forth in 37 C.F.R. § 1.117(m).

In view of the foregoing, applicant respectfully requests that this Petition to Revive an Unintentionally Abandoned Application be granted.

Dated this 5 day of May, 2006.

Respectfully submitted,
